# What is our game ?

---

An **RPG** game

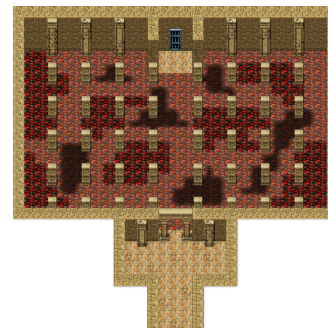

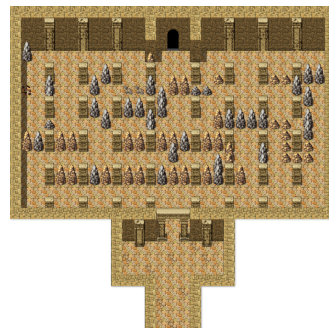

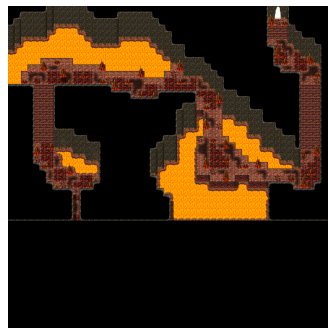

Includes **Plot, Skill & Property** system

A **special Combat Scene**

A **Planform Map**

...

# Map We Have

## **Two** things to be noticed:

1. If you don't know where you are or what you should do, **Press M** and Use your **small map**
2. If you see an exclamatory mark ( **!** ) on your head, it means that there is something to interact with, **Press J** to interact.

## Tips on combat:

1. Monkey King is good at attack, the Pigsy is good at defense, and Monk Tang can restore the HP of the team.
2. The monsters on the 3<sup>rd</sup> and 4<sup>th</sup> scene has high DEF, try to use “三昧真火” to beat them.
3. The last boss is very challenging. She can steal HP from you, so do not fight too long with her.
4. Try different skills to win the game.
